Step 3: Picking up your book(s)

Once your book is available, you will receive an email with directions for how to pick up your material.

There are two options for how to pick up your book:

1. Your teacher will arrange for your entire class to have their books delivered on a specific day
2. You can pick up at the circulation desk in the library.

You MUST have your ID in order to pick up a book.

## Step 5: Returning books

When you are finished with your book(s), please drop them off in the library book return located outside the library. Please make sure to return your book on time so that other students waiting for the book can also enjoy it!

\*Returned items are being quarantined for a period of time for everyone's safety. There may be slight delays if these items are needed to fill hold requests — as always we appreciate your patience. Our goal is to get library books to you as quickly as possible, while maintaining safety for families and school staff.
