We are excited to announce that as a student participating in the Lexington One Online Learning Academy (LOOLA), you have access to library books from your home school's library collection. Please follow the steps below to browse books and place them on hold.

Not sure what you want? Complete this [Personal Shopper Form](#), and we will choose some for you!

Step 3: Wait for an email to be sent to you at your @lexington1.net email address with pick up details.

Step 4: Meet us curbside at the front entrance of the horseshoe at your scheduled date and time to pick up your items.

Step 5: You can return books one of two ways:

- when you come to pick up your next available holds
- during school days between the hours of 9 a.m. - 3 p.m. by placing items on the green book cart outside the main entrance of the school.

*Returned items are being quarantined for a period of time for everyone's safety. There may be slight delays if these items are needed to fill hold requests — as always we appreciate your patience. Our goal is to get library books to you as quickly as possible, while maintaining safety for families and school staff.
